Dear Sir,

Re:

On *whose* authority have you decided to shut down the border? Quo Warranto?

The false flag forced movement of men, women and children, together with a false flag RUSE, a planned 'sacrifice' is, under investigation in this Court of Record of our LORD, Jesus Christ. The /mens rea/ is Gold Lust, the worship of the Fatted Golden Fleece. See Exodus 32. See "snake and rope trick" in attachments that follow.

The latest Amicus curiae(s) from this Court of Record follows. We suggest you download and study our prior Amicus curiae(s). We suggest the following:

www.courtofrecord.org.uk/QE2-2-PDF "Amicus curiae for Chartered Accountants"

His Holiness Pope Benedict XVI initiated this era of "Render unto Caesar what belongs to Caesar and to God what belongs to God", ...

" In Italy, many crib scenes feature the ruins of ancient Roman buildings in the background. This

shows that the birth of the child Jesus marks the end of the old order, the pagan world, in which Caesar's claims went virtually unchallenged. Now there is a new king, who relies not on the force of arms, but on the power of love."

If you do not change course immediately, expect Roman Ruins ... in short, *you* are fucked ... "on the woodway", to use a German expression. Do you have Faith, a mustard seed's worth?

We suggest that you contact Chancellor Angela Merkel, who intimately follows these Amicus curiae(s) for further advice.

We send our love to YHVH for thee!

Yours faithfully,

Joseph Ray Sundarsson
Special Master
