Your Grace,

We can see that Your Grace is embattled. We can also see that HSBC has made an "error of judgement". Perhaps they forget the "\$15 trillion" that was washed in full view of the House of Lords.

- > In April and May 2009, the situation started with the alleged transfer of \$5
- > trillion to HSBC in the United Kingdom. Seven days later, another \$5 trillion came
- > to HSBC and three weeks later another \$5 trillion. A total of \$15 trillion is
- > alleged to have been passed into the hands of HSBC for onward transit to the Royal
- > Bank of Scotland.

All is calm on the placid lake and the Fisherman is woken by a tug on his line.  
Shall He not reel in the fish and have supper?

Ms. Nicole Davis of HSBC Chelmsford has bitten the bait. Details follow in the letter from HSBC that is attached.

Your Grace, with your qualified experience regarding "banking", was chosen as the Archbishop of Canterbury, when your predecessor resigned as a result of our letter:  
[www.courtofrecord.uk/gicor/record/ABC-1/ABC-1.pdf](http://www.courtofrecord.uk/gicor/record/ABC-1/ABC-1.pdf)

Subsequently we wrote to Your Grace:  
[www.courtofrecord.uk/gicor/record/ABC-2/ABC-2.pdf](http://www.courtofrecord.uk/gicor/record/ABC-2/ABC-2.pdf)

Since that time, "Britain's invisible foreign policy" - to quote John Kerry, has effectively been run out of this Court of Record. This Matter of Fact was explained to Xi Jinping, the Chinese President, on his recent visit to London which are published at:

[www.courtofrecord.uk/China-1](http://www.courtofrecord.uk/China-1)  
[www.courtofrecord.uk/China-2](http://www.courtofrecord.uk/China-2)

HSBC is now in the receivership of this Court of Record of 'Jesus Christ', our LORD YHVH and this is an Arrest Warrant in Admiralty for all top management at the V.P. level and above, who already carry their 'parole' document, known as a 'passport', by the grace of Allah, YHVH.

All facilities of HSBC, operated directly or indirectly, are placed under the direct personal Admiralty authority of His Excellency George W. Bush, Duke of America in Her Majesty's Commonwealth, Father General.

We suggest that the top HSBC management and 'legal' team, learn the meaning of the phrase 'Court of Record' and how the Common Law evolved from the Magna Charta of 1215.

- > "It is impossible for you to learn that which you think you already know".
- > <http://1215.org/lawnotes/lawnotes/foundation.htm>

- > In true common law, there are no obligatory rules or precedents. A common law court
- > (a court of record) has unlimited jurisdiction and is independent of government. All
- > external factors are, at best, advisory, not obligatory.
- > <http://1215.org/lawnotes/lawnotes/common-law.htm>

Attached are recent Amicus curiae(s) of this Court of Record, which have theological content as all 'banks' are operated under Matthew 6, The Lords Prayer, which we have shown was the refuge of the then British Chancellor of the Exchequer in 1914.

Relevant Amicus curiae:

It is our wish that you explain to Ms. Davis and the top management of HSBC that they must prepare themselves for a written examination on the published content of our Amicus curiae(s).

It is our wish that you inform all priests, particularly of the 'Metropolitan' variety in London, that they are stripped of their titles and that they are just men in fancy hats, with a role to play upon the world stage.

- > "I hold the world but as the world, Gratiano;
- > "A stage where every man must play a part"
- > - Shakespeare, The Merchant of Venice

The Sea of Poppies, recently on display, signifies the necessary force that is ready to slay, with a SHARP METAL BLADE, dangerous idiots in banking, amongst priests, amongst the heads of government and in the judiciary.

- > Cardinal Burke wrote that "the Holy Father is proposing what he personally believes
- > is the will of Christ for His Church, but he does not intend to impose his point of
- > view, nor to condemn those who insist on what he calls 'a more \*rigorous\* pastoral
- > care.'"

[www.catholicherald.co.uk/news/2016/04/12/cardinal-burke-amoris-laetitia-does-not-change-church-teaching/](http://www.catholicherald.co.uk/news/2016/04/12/cardinal-burke-amoris-laetitia-does-not-change-church-teaching/)

What a champ! 'Rigorous' arrangements are in place; all priests, caliphs, sultans, kings, judges, and bankers who know not the essence of the Lord's Prayer, forgiveness, shall receive, 'a more rigorous pastoral care.'

- > Matthew 6:12 And forgive us our debts, as \*we\* \*forgive\* our debtors.
- > Matthew 6:14 For if ye forgive men their trespasses, your heavenly Father will also
- > forgive you: 6:15 But if ye forgive not men their trespasses, \*neither\* will your
- > Father forgive your trespasses.
- > Matthew 7:21 Not every one that saith unto me, Lord, Lord, shall enter into the
- > kingdom of heaven; but he that doeth the will of my Father which is in heaven.
- > Matthew 13:49 So shall it be at the end of the world: the angels shall come forth,
- > and sever the wicked from among the just, 13:50 And shall cast them into the
- > furnace of fire: there shall be wailing and gnashing of teeth.
- > Matthew 13:51 Jesus saith unto them, Have ye understood all these things? They say
- > unto him, Yea, Lord.
- > 18:6 But whoso shall offend one of these little ones which believe in me, it were
- > better for him that a millstone were hanged about his neck, and that he were
- > drowned in the depth of the sea.
- > The Gospel According to Saint Matthew, King James Bible

He who knows not how to forgive debt and trespass against him is wicked amongst men. He who has raped little children is wicked amongst men. He who sacrifices children is wicked amongst men. He who tears apart or slaughters animals to read

their entrails is wicked amongst men.

It is our wish that Your Grace explain to the top management of HSBC, the meaning of, 'forgive', 'neither', and 'a more rigorous pastoral care.'. What do the top management of HSBC wish for themselves?

We send our love to YHVH for thee!

Yours faithfully,  
Joseph Ray Sundarsson  
Special Master

**Review of our banking relationship**

We periodically conduct strategic reviews of our services, products and accounts. Unfortunately, this means that we have taken the decision to close some customer accounts where they do not meet our strategic criteria. The decision to close your account was taken based on a careful and thorough review of your account and HSBC will not be revisiting this decision.

Yours sincerely
