Dear Sir or Madam,

We assist Her Majesty Queen Elizabeth [II] and His Holiness Pope Francis with the dissolution of 'corporate' Police.

Re:

It appears the Mr. Hogan Howe is unaware of the recent Court of Record order to disarm all police 'officers' and 'commissioners', and that all titles have been stripped by Her Majesty Queen Elizabeth [II]. Who is he going to 'fight'?

As is now the custom in Scotland, England and Wales, real news travels by fax or word of mouth. Newspapers (or the online equivalent) speak in Egyptian-English.

Even as your duties as 'commissioners' and 'officers' have come to an end, you may choose to continue in the service of Her Majesty The Queen by taking your oath of loyalty and working under

The Princess Royal's Constabulary.

The Jesuit era of fake police and Obstruction of Justice is at an end. We suggest you collate evidence against all legal idiots who have been "fucking around".

All of you, irrespective of rank, are *required* to read and understand our recent Amicus curiae(s) in this regard. We suggest direct contact with The Princess Royal, Princess Anne and/or Her Majesty Queen Elizabeth [II], our living Queen.

UK Politicians and the Mayor of London are informed:

www.courtrecord.org.uk/Boris-1

Recent faxes to Mr. Cameron covering "EU", "police", "lunatic man-oeuvres" and "immigrants" amongst other issues:

www.courtrecord.org.uk/Cameron-1

www.courtrecord.org.uk/Cameron-2

www.courtrecord.org.uk/Cameron-3

The Spanish Monarchy, for whom you are the 'occupation army', are informed:

www.courtrecord.org.uk/Sofia-1

www.courtrecord.org.uk/Sofia-2

www.courtrecord.org.uk/Sofia-3

It is our wish that you ensure that MR. Hogan Howe is served a copy of this fax and attachments by a Constable. We suggest the same for every 'officer' and 'commissioner'.

The end of corporate police, not limited to in Scotland, England and Wales is covered here:

www.courtrecord.org.uk/Magna-Charta-1 [quick start: see page 10, lines 358 to 398.]

This action is consequent to our Treason investigation, Queen's Bench Division stamped copy is here:

www.courtrecord.org.uk/Treason-QBD

It is the end of imaginary money - British Pounds and U.S. Dollars and Euros not excluded. Only Legal Idiots 'fight' for this. The U.S. Federal Reserve, chartered by the Pope through Her Majesty The Queen is dissolved. We suggest that you inform all 'Chartered Accountants' and 'Bankers' you know that their time is up.

The Amicus curiae regarding 'money' is published here:

www.courtrecord.org.uk/QE2-2 (html)

www.courtrecord.org.uk/QE2-2-PDF

Our Letter Rogatory to the British Cabinet/Parliament, copied to His Holiness Pope Francis, consequent to which *all* immunity was stripped by Motu Proprio is available here:

www.courtrecord.org.uk/British (html)

www.courtrecord.org.uk/British-PDF (pdf)

Motu Proprio:

http://w2.vatican.va/content/francesco/en/motu_proprio/documents/papa-francesco-motu-proprio_20130711_organigiudiziari.html

We suggest that each Constabulary have a Constable serve *all* 'lawyers', 'attorneys' and/or 'bar' members; cults, lodges, religious leaders, mosques, synagogues, churches, ISIS, etc. in its area.

"... making a list, checking it twice,
gotta find out who is naughty or nice ..."

No escape, blackmail or cover-up is possible. Publish everything! No one has any immunity. The same applies to the Hampstead scandal and The Kids Company.

www.telegraph.co.uk/news/bbc/11823864/Alan-Yentob-warned-Kids-Company-closure-of-could-lead-to-riots.html

Who does this idiot think he is threatening? Ensure he is served a copy of this fax. The English know how to do the "snake and the rope trick". "Crane operators" from AFRICA are an optional extra. The Frogs in the Jungle go ribbet-ribbet-ribbet!

Do you see the need for Mercy?

No more passports or drivers licenses or border controls or victim-less crimes or forced migration by cults. No more scuttling of boats. No more child/man/woman/animal rape/sacrifice/torture. No more fraudulent "HMRC" courts. No more 'judges', 'star chamber' courts or police 'officers' or 'commissioners'.

Got it?

No 'Chilcot' excuses. No HMRC excuses. No EU/ICC/Hague/UN/US/Putin excuses. Roman Catholics may 'confess' to their Priest. Mercy applies - in this Court of Record of 'Jesus Christ'. We pray that the LORD God YHVH, Ground of Being, Jesus Christ, Allah the Most Merciful, hear thee!

Do not worry about the future. YHVH is witness to every atom or particle in space-time. YHVH is Truth. YHVH is Love: In YHVH, thee and I are One!

We send our love to YHVH, our LORD Jesus Christ, for thee!

Yours faithfully,
